## SOUTH CHAPEL

## WEST CHAPEL

# A BEAUTIFUL PLACE TO HONOUR THE LIFE OF A SPECIAL PERSON

Since 1934, people living in Sydney's south have paid tribute to family and friends at Woronora's art deco crematorium and chapels.

Our two air conditioned chapels each seat around 95 people and have standing room at the rear.

A separate lounge which provides audio/visual relay of the service is also available and external speakers and screens are connected to the chapels. They provide back-up for larger funerals and welcome relief for those overcome with grief or families with children who may disrupt the service.

Following the service, guests move into a courtyard where you can mingle with family and friends in an undercover area surrounded by beautiful gardens.

## **Catering for special needs**

Both chapels offer wheelchair access ramps and we can provide wheelchairs if necessary. There is also a hearing loop for the hearing impaired.

## **Facilities for celebrants**

There are two vestry rooms where clergy can change. Each is provided with a basin and desk.

## **Parking**

Ample parking is provided within the grounds; the main carpark is opposite the west chapel.

## **Locating memorials**

Should you wish to locate the grave or memorial of a relative or friend, an information touch screen is located between the two chapels.

# CELEBRATING LIFE USING CONTEMPORARY TECHNOLOGY

Many people choose to celebrate a special life using modern audio visual presentations. At Woronora, our chapel concierge staff are here to help.

Both chapels are equipped with a modern audio/visual system which includes DVD and CD players, multimedia computers for presentations, 2 LED screens and a Yamaha Electone HC4W electric organ.

We will look after your presentation and music and, if requested, can record your service direct to DVD, which should play on a standard DVD player.

## **Live video streaming internet webcast**

For family and friends unable to attend the Chapel service you can arrange a live internet webcast by contacting Mediahouse Technology on 9987 2140 or 0419 214984 and via their website: [funeralcast.com.au](http://funeralcast.com.au)

## **Testing presentations and music**

All presentations should be tested prior to the service. We cannot take responsibility for presentations unless this is the case.

Presentations are normally tested between 8:00am and 8.30am. However, subject to the availability of the chapels, a later time may be arranged.

To test your presentation, please phone the administration office on 9545 4677 to arrange an appointment with the chapel concierge staff. Office hours are 8.00am to 4.30pm Monday to Friday and 8.00am to 12.00pm Saturday.

<b>Format</b>	<b>Comment</b>
<b>DVD</b>	Standard DVD format that will read/play on a standard home DVD player.
<b>Microsoft Power Point</b> PPT or PPTX	Music to be played with a PowerPoint presentation must be supplied on a separate CD in audio format only. Do not embed music into the presentation.
<b>Image Formats</b> Jpeg or Gif	Individual JPEG or GIF photos can be played using our slideshow viewer.
<b>Video Formats</b> WMV, AVI or MPEG	Can be supplied on memory stick or CD
<b>iPod</b>	An iPod connection is available to play music through our system. Please have the music in a separate playlist and in the order to be played.
<b>All other music</b>	Please supply on CD only, NOT on a memory stick

## After the Service

Holding after funeral functions at the cemetery has become increasingly popular. The private rooms at 'Forget Me Not Cottage', located just inside the cemetery gates, meet this need.

The fully serviced rooms have been designed to provide a homelike environment where relatives and friends can come together without the worry of organising a function elsewhere at this difficult time. Room hire includes light refreshments and additional catering is also available.

'Forget Me Not Cottage' also serves refreshments to people visiting the cemetery and crematorium.
