Memorialisation Gardens

It takes just a moment to love a person, and eternity itself is too short to ever forget them. At Woronora Memorial Park, we are dedicated to helping you find your way to remember and cherish loved ones.

Within our beautiful and expansive grounds, Woronora gives you great scope to create a special memorial that celebrates and commemorates a person's life. Sheltered under palms, scattered among antique roses or resting in tranquil shade under a great gum tree, our Park is filled with unique spots that evoke a sense of peace and serenity for family and friends.

When someone you love passes, every memory becomes a treasure. At Woronora Memorial Park, we will help you find a special place for all your wonderful memories of life together.

and garden walks*

Rose Garden

One of the greatest symbols of love and remembrance, roses are everywhere in Woronora. Our magnificent Rose Gardens give our gardeners full rein to their passion for this timeless bloom.

The formal gardens, which are celebrated in the Shire Community, brim with colour and delight. Every hue is on show, from sweet pinks to deep rich reds, cheerful yellows and delicate whites. Some of the bushes date back to the 1930s. The garden itself is laid out in an elaborate pattern that, from the air, is revealed as a stained glass window.

A wonderful fusion of colour and harmony, our Rose Gardens are a charming and gentle place to create an enduring and life-affirming memorial to your loved ones.

Placed along the borders, **Garden Walk Positions** allow family and friends to reflect on loved ones with a small plaque that lies beneath a favourite rose.

Within the central Gazebo, simple and elegant **Granite Rose Rings** offer a place to reflect and remember as you gaze on the glories of the garden in full flower.

While a **Family Estate**, surrounded by its own private border, is a lovely way to keep your family together.

Centenary Court

Situated overlooking Karinya Gardens and Serenity Walk, the elegant Centenary Court offers wonderful vistas from every direction.

Step inside the flowing corridors and find yourself in a gracious, open-aired piazza with simple and discreet **Niche Walls** surrounding you. Palm trees lend an air of deep serenity, while the **Book of Remembrance** is turned each day, to allow you to record special details of your loved one's memorial in artistic calligraphy.

Surrounding the central building, pleasant gardens allow for gentle strolls and quiet contemplation.

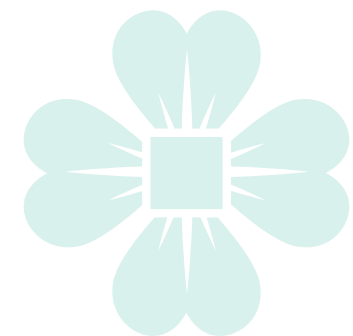

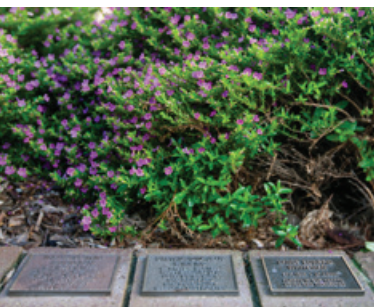

Cloistered niche walls offer a modest and moving tribute to your loved one with generous and expansive views across the park.

Within the gardens, Centenary Court offers a range of lovely memorial choices, from **Granite Family Estates**, **Family Gardens** or **Rose Family Estates**.

Special services of memory may also be held in this open air environment.

Serenity Walk

At Serenity Walk, native and tropical flora forms a lush, calming backdrop for reflection. On a gentle slope below Centenary Court, paths wind their way around frangipanes and palms, while great gums reach toward the sky.

Here and there, statues shelter under greenery and birdbaths offer welcome respite for the host of feathered visitors to Woronora. At its centre, a traditional gazebo provides a place to sit and enjoy the sounds of nature and the deep, soulful quiet.

Celebrating natural beauties, Serenity Walk offers wonderful **Bushrocks** themes ideal for creating a restful memorial, for one person or a family.

Or choose a delightful **Garden Walk** position along the borders of the tropical gardens. Simple and understated, **Granite Niche Walls** offer a timeless way to remember in a picturesque spot.

A beautiful, natural environment where memories of loved ones will live on

Mary Gilmore Garden

Nestled at the bottom of the slope, our Mary Gilmore Garden takes its name from one of Australia's most famous journalists and poets.

A passionate and vivid chronicler of Australian life, Mary's garden is one that celebrates the unassuming joys of the Australian bush.

Scribbly gums tower overhead, their straight trunks forming natural columns that encircle the simple gardens beneath. Far from the world's cares, the air rings with the sound of birdsong.

Elegant and understated **Niche Walls** seem to blend into the setting, while **Family Estate Memorials** dot the garden, completely immersed in their relaxed surroundings.

Tranquil Gardens

Deep within Woronora's grounds, Tranquil Gardens is a moving memorial within a naturally inspired setting. Gynea lilies, sacred to the local Aboriginal community, stretch their massive, flame-red flower skywards, while rosemary bushes offer a traditional symbol of remembrance. A gentle water feature sits nearby.

This private place is home to our symbolic Doorway of Hope. A memorial unlike any in Australia, it provides a place to honour those who have gone missing, most probably deceased without any recognition of passing. As in many cases a death certificate has never been issued.

Offering a rare opportunity for stillness and calm, Tranquil Gardens is a place where you can stop, reflect and acknowledge your deepest feelings of love, loss, yet hope.

Contemporary **Glass Plaques** are a lovely way to celebrate and commemorate a loved one, secluded along one of the native **Garden Borders**.

A life to remember

Today, many people choose to scatter the ashes of their loved one in a place that may have had great meaning for them. For others, somewhere beautiful that touches the heart is part of the ritual of saying goodbye.

However you and your family and friends plan to say your farewells, creating a memorial is an important part of the journey through grief. Within our gardens, you'll find a number of places that give you a focal point for recollection and commemoration.

Our ***Book of Life*** and ***Remembrance Plaque Memorials*** in Wollemi Lawn, and Our Peaceful Place offer space to engrave your loved one's name for eternal remembrance.

Inside Centenary Court, you may choose to have one of our talented calligraphers inscribe details of your loved ones into the ***Book of Remembrance***, including dates of importance and the date of their passing. Turned every day, they can be a poignant reminder for visitors of the love and respect you share.
