A large, stylized teal dove is positioned behind the title. The dove is facing right, with its wings spread as if in flight. It holds a small teal rose in its beak. The dove's body and wings are composed of smooth, flowing lines, giving it a graceful appearance.

Woronora Memorial Park

Woronora Memorial Park has been dedicated to serving the Shire with a range of high quality burials, ashes and memorialisations.

Choose from two beautiful Art Deco Chapels, set in the midst of magnificent gardens. Each offers an elegant welcome under its own porte cochère, providing both practical protection from the weather and a sense of occasion.

With world-class facilities that meet the diverse needs of the local community, the Park remains a popular choice for services that celebrate and commemorate a loved one's life.

Our Chapels

Woronora has two beautifully designed Art Deco chapels, surrounded by lovingly tended gardens. Each chapel provides the latest digital and AV technology to ensure great scope for all memorial services.

Both our South and West Chapels are designed for comfort, with air conditioning, discreet lighting and comfortable seating for 95 people, plus standing room at the rear. Our advanced AV equipment makes it easy for family and friends to personalise a memorial with photos, videos and special messages. For those who cannot attend, our Chapels also offer webcasting so they may share in the service.

A quiet room accommodates families with young children, as well as those who require wheelchair access, with an audio visual relay of the service. A hearing loop for those guests who may require special assistance is also available.

We're also able to provide external speakers and screens to allow everyone to share in the service. We find families with young children in particular find this feature invaluable.

Conveniently located, with ample parking available, Woronora Memorial Park offers a serene and beautiful way to say goodbye.
